

# PRIVATE CROWD

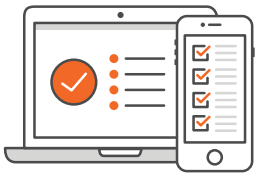

Powered by **FIELD AGENT**<sup>®</sup>

An on-demand, mobile platform for collecting fast, reliable information from your team of contractors or employees

## How it Works

### DESIGN PROJECT

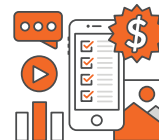

### TARGET YOUR CROWD

### GATHER REAL-TIME DATA

Launch

Collect

### ANALYZE RESULTS

Private Crowd, powered by Field Agent, puts you in control of managing widely-dispersed employees/contractors. Utilize Field Agent's powerful mobile platform to monitor your team's performance, and constantly stay in the loop on your own private reporting dashboard.

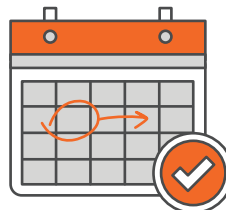

## Advantages of Private Crowd

### CONVENIENCE

All your team's contributions streamed to your own private dashboard—in real-time.

### FLEXIBILITY

Customize tasks and surveys to your specific needs. Target particular locations and employees.

### VISIBILITY

With Private Crowd, employees can submit photos or video of their work.
